REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: allowance of claims 1-17 is indicated because the prior art of record does not show or fairly suggest a semiconductor resistor having at least two conductive paths between a resistor body and two opposite terminals, wherein at least one of the terminal is configured so that the resistance of the terminal between the conductive paths is substantially matched to the resistance of the resistor body between the paths and at least one of the paths comprises a resistive element connected between the terminal and the resistor body with the resistive element is separate from the resistive body in the manner recited in claims 1, 6, 13, and 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tu Ba Hoang whose telephone number is (571) 272-4780. The examiner can normally be reached on Mon-fri from 8:30AM to 6:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robin Evans can be reached on (571) 272-4777. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
